### Etiquette and Courtesy

Disc golf is a game that expects high standards of etiquette and courtesy. Among the basic considerations of etiquette are such things as concern for spectators and other players and respect for plant life on the course. Players should not throw until they are certain that the thrown disc will not distract another player or potentially injure anyone present. Players should watch the other members of their group throw in order to aid in locating errant throws and to ensure compliance with the rules.

### Out-of-Bounds (OB)

A disc that is considered out-of-bounds results in a one-throw penalty. The player may elect to play the next shot from a lie that is up to one meter away from and perpendicular to the point where the disc last crossed into out-of-bounds or the previous lie.

### Mandatories (mando)

A disc that has missed the mandatory results in a one-throw penalty and the next throw shall be made from the "Drop Zone" (DZ).
