

Hi Everyone, my name is Jacob Baker and I am your current LoCo Disc Golf Club Treasurer, a position I have held for 1 year. I found the LoCo Disc Golf Club in 2015 shortly after having moved to Virginia; guys like Stephan Evers, Brian Junkins and Steve Ganz were among the first to welcome me to the then very casual league rounds held at Franklin Park. It took me virtually no time and my pastime of Disc Golfing with a few old friends a couple times per year turned into a three to four round per week addiction fueled by the positive energy of the LoCo DGC and it's few dozen members. Fast forward to 2020 and the list of friends and acquaintances brought to me by way of the sport is amazing and our club has grown for the better every year.

Before my time as Treasurer I had been one of the primary orchestrators for the development of LoCo's own Clark's Run Disc Golf Course at Freedom Center. As many of you know we as a club have been working on this course for over 3 years now. I have spent so much time helping to see John Biscoe's vision through that its hard to think about it being done. I was present for much of the clearing and fairway construction and 15 of 18 tee pad installations, excusing myself only to be away for a vacation.

I would like to continue my role as a member of the board of directors for the 2021 calendar year. Serving in the 2020 has been a rewarding experience that continues to bring me a sense of pride and accomplishment. I look forward to continued and heightened involvement in all things growing the sport and bringing top-notch disc golf experiences to those that care to partake. This club and the people that make up its membership are awesome, it is a pleasure to serve and share in the effort of those that serve with me.

My goals for 2021 are to continue to spearhead efforts in getting Clark's Run Disc Golf Course complete, become more involved in organizing our events and aid in the effort to bring more disc golf courses to Loudoun County. I hope to continue to use my project management skills on the next course that we, LoCo, have any opportunity to take on. I look forward to seeing this club of ours continue to raise the bar for our annual events which seem to fill up as soon as they go live. Secondary to these goals and aspirations but equally as important I want the opportunity to continue to look after the Club's financial accounts in 2021. Despite what some of you may have read last April Fools Day from a certain Chairman of ours, I am not taking elaborate vacations on LoCo's dime lol. Thank you for your consideration.

Respectfully,

Jacob Baker
