

I'd like to submit my name for consideration to the club membership to run for the BOD. I would like to give back to the club that has given so much to me. The club has made me feel welcome and at home from the very first time I played a LoCo monthly right after taking up the sport.

I have volunteered for course preparation work for BAM and the LoCo Open and I will continue to help make our courses the best in the area. I would like to do more to help run tournaments and leagues.

I'd like to improve the club's visibility and expand its reach into Eastern Loudoun by assisting with the board's efforts to add a new course in Claude Moore Park. This will present an opportunity to grow the sport by allowing more people access to a nearby course. It will make it easier to attract women and juniors to play this wonderful sport.

I'd like to find a way to run pop-up events in Eastern Loudoun to stimulate interest in the sport in an area that has been without a course for decades. People who may be unwilling to drive out west to try a sport, may try it with a closer course.

I'd like to work on having junior events at schools and give students after-school opportunities to learn how to play the sport.

In sum, I want to help the club grow, maintain, and continue its sterling reputation.

Respectfully,

Deborah Rice
